# Total Solution Soft Goods

Impression / Vienetta Drapery

Serenity Bed Ensemble

Koni Hospitality offers clients a total soft goods solution, from fabric development and manufacturing to installation. Designs by Koni are the highest quality products available in the industry, and the Koni Eco product line supports green initiatives.

Reflection Lycocell Bed Ensemble

Modal Robe

Decorative Pillows

Fiber is the foundation of everything we do. The Koni Eco product line incorporates eco-friendly fibers (Lycocell, Modal, organic cotton, bamboo, recycled and recyclable polyester) and each fiber offers unique benefits and attributes. The family of eco fibers now available provides the same style and performance clients have come to expect from Designs by Koni products.
