## The Koni Box Spring Cover Solutions

Koni has developed a tailored platform box spring solution to accommodate any fabric or frame required to meet your design specification

- 1 - The Quilt: Stays in place, tight fit and stylish
- 2 - The 651 Solution: A beautiful 651 tailored fabric solution for floor or platform length depending on frame
- 3 - The Hugger: Tight tailored fit with elastic bottom hugger
- 4 - The Zipper: Easy removal of the drop without taking the bed apart
- 5 - The Chain Weight Option: When thin fabrics are specified

\*The Fitted Cap option insures the cover will stay in place assuring a perfect tailored look.
