

# Koni PreClean Spot Remover

**Eliminates Stains:** Independent testing concludes, Koni PreClean surpasses top national brands for removing tough stains, including cocoa, grass, and coffee. It's the most versatile stain-fighting spray on the market!

**Natural Formula:** The penetrating properties of Koni PreClean allow enzymes to get into the fibers of the fabric, eliminating stains at their source. Koni PreClean cuts through organic-based stains like blood, grass stains, and spaghetti sauce.

**Safe for All Fabrics:** Koni PreClean is safe for any washable fabric - spray it directly on the fabric to pull out long-standing stains! PreClean does not contain any harsh ingredients or bleach - only naturally-derived enzymes and cleaning agents.

**Koni PreClean Spot Remover** is the perfect balance between safety, performance, and value. From washing to washing, you'll get your laundry cleaner and brighter, without harmful chemicals or bleach. PreClean is available in quarts, and includes a handy spray nozzle. It's the kind of care your environment and guests deserve!
