

## Terry Robes, Towels & Bath Mats

Our luxurious robes, towels and bath mats are made of 100% Turkish cotton terry, considered the best in the world. These products will maintain their original beauty for a long period of time if cared for properly. Please follow these instructions carefully.

### DO'S

- Wash and dry in warm temperature, not exceeding 192°F (90°C)
- Wash with mild surfactant detergent
- Use gentle cycle in washing and drying
- Wash and dry separately from other textile
- Check for burrs inside the washing machine and dryer periodically and smooth out the roughness inside the machines before putting in any other products
- Remove the items from the washer and dryer as soon as the cycle is over
- Test ONE set in a washer and dryer for a satisfactory result. Proceed with others when the test result is satisfactory. (Koni Hospitality will be responsible for one test set only, if an unsatisfactory result occurs)

### DON'TS

- **DO NOT** use HOT water exceeding 192°F (90°C)
- **DO NOT** use HOT dryer temperatures exceeding 120°F (49°C)
- **DO NOT** use Alkaline detergent
- **DO NOT** use chlorine bleach
- **DO NOT** use fabric softener in either the washing or drying cycles
- **DO NOT** mix with any other textile
- **DO NOT** use washing machines or dryers with burrs inside

### Koni PreClean Spot Remover

Apply Koni PreClean Spot Remover to the spot and gently rub it into the fabric. Allow it to stand for 10 minutes. Hand wash the spot in lukewarm water, then follow the washing and drying instructions. Most of the stains will be removed with this application, but if you run into a stubborn stain, brush lightly after applying PreClean and repeat the process.
